

weber design bricks

Arbetsanvisning

weber design bricks - för fasader med unik karaktär

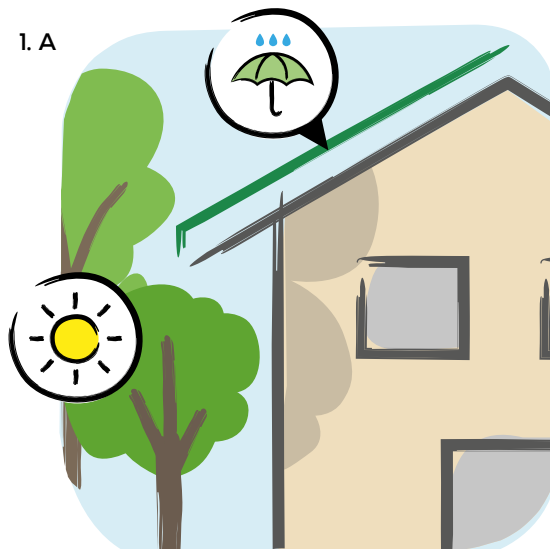

Med smarta weber design bricks skapar du robusta, vackra och energieffektiva fasader. Kombinera med vårt isolerade fasadsystem eller med traditionell puts. Tegelstenarna finns i olika tjocklekar, kulörer, strukturer och bränningar. De är ljud-reducerande, fuktsäkra och – inte minst – smidiga att använda.

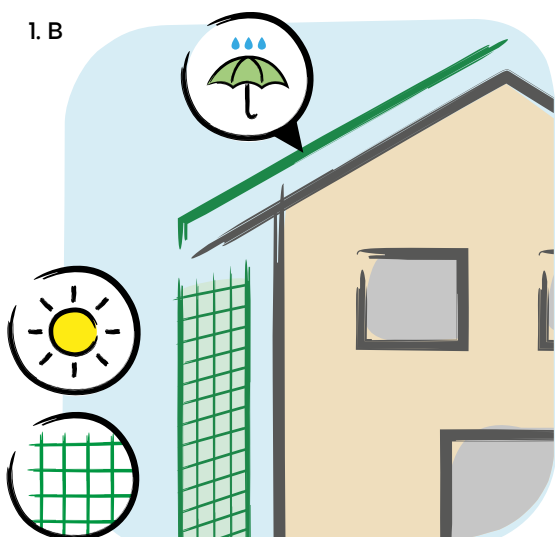

I denna guide får du enkla och tydliga instruktioner för hur du monterar weber design bricks på rätt sätt – för ett tryggt och snyggt slutresultat.
